## ARE YOU UP FOR THE CHALLENGE?

With our long-awaited track expected to be finished in April (we have to wait for warm enough temperatures to lay the synthetic surface), that will bring a lot more opportunities and challenges for the club.

Our Number 1 priority is to get a lot more people involved in coaching so that we can cater for the full range of track and field events and meet the expected post-Olympics surge in interest in our sport.

If you (or someone you know) is willing to get involved in coaching or any other aspect of running our club, please let us know. Contact Mike Bateman (01670 712228), Bill Woods (01670 512857) or Doug Cockburn (01670 512373).
