### **Why Build a Quality School ?**

- ✚ 60% of the population in Tanzania is under sixteen years old and there is a shortage of schools.
- ✚ Quality Education gives students the skills needed to obtain future jobs and through health education combats the spread of AIDS.

### **What Do Parents Want for Their Children ?**

- ✚ "We want our children to be in a safe and moral environment" Mr. Komba
- ✚ "We want our children to pass the national exams so they will get into high school" Mrs. Sijali

### **What Value Do Jitegemee Teachers Bring ?**

- ✚ Jitegemee teachers are hardworking women committed to a lifetime of social service.
- ✚ Despite financial hardship they have succeeded in qualifying as teachers.
- ✚ Their vision is: "Education is the key of life."
