

MORPETH HARRIERS & ATHLETIC CLUB

MINIMUM AGE NOW 10

The minimum age for new members is now 10. (This won't affect any 9 year olds who have already become members.) The reason for this is that our training groups for young athletes have become too large for the number of coaches and group leaders available to look after them. If the position doesn't improve another rise in the minimum age may be necessary.

MORE COACHES / GROUP LEADERS NEEDED

A much better solution would be to get more people (experienced athletes or parents) involved in looking after the young athletes - preferably on a regular basis, but having people available to stand in for absentees (holidays, illnesses etc.) is also very helpful. You would be working alongside an experienced coach and, if you wished, we can arrange for you to attend a UK Athletics coaching course.

If you can help please contact Mike Bateman (712228), Tony Ward (516891), George Patterson (734295) or any other committee member - you'll be helping to secure the long term future of our club.
